SINCE 1988
TJP MATS PVT.LTD.
 Manufacturers of premium quality rubber floorings

TRUST THE LEADER FOR THE BEST IN QUALITY!

TJP MATS PRIVATE LIMITED's phenomenal growth and ascendancy to the top as the nonpareil manufacturer, supplier and exporter of rubber flooring products owe to the stringent quality measures they put into practice and also to the absolute transparency the company maintains in business. An ISO CERTIFIED company, with two international certifications, ISO and SEDEX, TJP has long found its ingress to exclusive foreign markets of Middle East, Europe and the US. TJP manufactures a fine assortment of rubber floorings for industrial, restaurants, kitchens, stables, gyms, and playground applications.

ENDORSEMENTS

“ *I strongly recommend TJP COW MATS since it provides optimum comfort and hygiene to the cows. The brand maintains supreme quality standards and of course is one of the prime reasons for cows' high milk productivity.* ”

“ *TJP is an excellent cow mat brand with a definite edge over others. I vouch for its great quality, longevity and for the purpose it serves. Moreover it offers great comfort for the cows and to my knowledge is a most eco-friendly product.* ”

“ *TJP COW MATS have time and again proved its worth as the finest cow mat brand of the country. It has a good feel and comfort, which the cows like. It is hygienic and easy to clean. It has matchless quality and great durability.* ”
